

IMACS FORM 10: PATIENT/PARENT GLOBAL DAMAGE ASSESSMENTS

Subject's IMACS number _____

Assessor _____

Assessor's relationship to subject: Patient; Mother; Father; Other (specify): _____

Date of assessment (mm/dd/yy) _____

Assessment number _____

Another process affecting health is disease damage, which is the effect on your body from previous disease activity and treatments for the myositis. Disease damage lasts at least six months (and sometimes forever) and is difficult (and sometimes impossible) to improve.

1. Considering all the ways that myositis affects you/your child, please rate the overall amount of damage of you/your child's myositis has caused to your body by placing a mark on the line below.

No evidence of
damage

Extreme disease
