2015 Distinguished Lecture Series

Isolating Pathogenic Mechanisms Embedded Within the Hippocampal Circuit Through Regional Vulnerability

Scott Small, M.D.
Boris and Rose Katz Professor of Neurology
Director, Alzheimer’s Disease Research Center
Columbia University, New York, N.Y.

Tuesday, April 14, 2015
11:00 a.m. – noon
NIEHS Building 101, Rodbell Auditorium
111 TW Alexander Drive
Research Triangle Park, N.C.

Host: David Armstrong, Ph.D.

Individuals with disabilities who need accommodation to participate in this event should contact Barbara Dietz at 919-541-3206 or dietz1@niehs.nih.gov. TTY users should contact the Federal TTY Relay Service at 800-877-8339. Requests should be made at least 5 business days in advance of the event.

Any individual seeking access to the NIEHS campus will need to be prepared to show a photo ID (e.g., driver’s license, or a company, government, or university ID) and provide pertinent information about the seminar (e.g., name of the speaker, host, or title of the seminar).
