

## CHANDRA L. JACKSON, PH.D., M.S.

Researcher ID: A-6291-2017  
111 TW Alexander Drive, Room A327  
Research Triangle Park, North Carolina 27709  
[Chandra.Jackson@nih.gov](mailto:Chandra.Jackson@nih.gov)  
(984) 287-3701

### Education

2012	Ph.D.	Epidemiology (Cardiovascular)	The Johns Hopkins University
2007	M.S.	Epidemiology (Cardiovascular)	Harvard T.H. Chan School of Public Health
2003	B.S.	Biology	Bethune-Cookman University

### Postdoctoral Training

2012-2014	<b>Alonzo Smythe Yerby Postdoctoral Fellowship</b>	Nutrition/ Epidemiology	Harvard T.H. Chan School of Public Health
		<ul style="list-style-type: none"><li>- Investigated dietary and lifestyle factors (e.g. sleep) as major modifiable contributors to racial/ethnic and socioeconomic health disparities in chronic diseases (e.g. obesity; diabetes) related to the cardiovascular system</li><li>- Core Evaluation Member of a CDC-funded R.E.A.C.H. Demonstration Project to address health disparities</li></ul>	

### Academic Appointments

2017-date	<b>Earl Stadtman Investigator</b> (tenure-track), Epidemiology Branch, National Institute of Environmental Health Sciences, Research Triangle Park, NC
2017-date	<b>Adjunct Investigator</b> , Intramural Research Program, National Institute of Minority Health and Health Disparities, Bethesda, MD
2017-date	<b>Adjunct Assistant Professor</b> , Department of Epidemiology, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, Chapel Hill, NC
2017-date	<b>Associate Scientist</b> , Department of Medicine, Brigham & Women's Hospital, Boston, MA
2014-2016	<b>Research Associate</b> , Population Health Research Program, Harvard Catalyst   Clinical and Translational Science Center (Harvard Medical School), Boston, MA
2014-2016	<b>Research Associate</b> , Epidemiology Department, Harvard T.H. Chan School of Public Health, Boston, MA

### Certifications

2009	<b>Certificate in Health Disparities and Health Inequalities</b> Johns Hopkins' Center for Health Disparities Solutions Department of Health Policy and Management
2009	<b>Certificate in Community-based Public Health</b> Johns Hopkins Bloomberg School of Public Health Department of Health, Behavior, and Society

### Other Professional Positions

11/2018-date	<b>JPB Environmental Health Fellow, Harvard T.H. Chan School of Public Health, Boston, MA.</b> <ul style="list-style-type: none"><li>- Participation in training and leadership development designed for promising junior faculty who are committed to finding solutions and supporting policy changes that address environmental, social, economic, and health disparities across U.S. communities.</li></ul>
--------------	--

- 1/2012-5/2012 **White House Intern, White House, National Economic Council**
- Assisted the Special Assistant to the President for Healthcare and Economic Policy on the implementation of the Affordable Care Act by attending meetings to relay critical information
  - Supported the First Lady's Let's Move! Campaign by drafting reports to the President, writing memos to Senior Staff, fact checking, staffing meetings, synthesizing public health evidence that informed and supported the program decisions of the Domestic Policy Council
- 9/2010-5/2012 **Graduate Research Assistant, Johns Hopkins Medical Institutions, Welch Center for Prevention, Epidemiology, and Clinical Research**
- Conducted analyses for short-term projects (e.g. Faculty Salary Analysis) for Division Chief
  - Reviewed literature on 'Glycemic Control Recommendations in the Elderly with Diabetes' that resulted in NIH funding; regularly engaged in the Center's Obesity and Diabetes Journal Club
- 6/2009-8/2009 **Mayoral Fellow, Baltimore City Health Department, Office of Epidemiology and Planning**
- Managed and reported on the major Cardiovascular and Diabetes Health Disparities project
  - Presented recommendations for improvement to the Mayor & Cabinet; majority adopted
  - Gained experience in program evaluation and prepared healthcare utilization data from the Maryland Cost Review Commission for Baltimore City
  - Utilized data at a local level to inform program planning and policy development
  - Led the preparation of a report summarizing the major project findings for public release
- 1/2009-4/2009 **Legislative Intern, 426<sup>th</sup> Legislative session of the Maryland General Assembly, House Representative Shirley Nathan-Pulliam**
- Actively researched and assisted with drafting legislative ideas for the Chair of the Health Disparities Subcommittee in Health and Government Operations Committee
  - Developed supporting arguments for sponsored bills and testified in a committee hearing
  - Created summaries of reports, meetings, and hearings to relay critical points to the Delegate
  - Professionally interacted with constituents and policy-makers
- 6/2008-8/2008 **International Scholar, Johns Hopkins School of Nursing, Minority Global Health Disparities Research Training**
- Conducted psychoneuroimmunology research at the University of Newcastle focusing on fetal programming and risk of later-life chronic disease. The project was motivated by health disparities among the Australian Aborigines and the Barker (or fetal programming) hypothesis
  - Sponsored by the Fogarty International Center (FIC) and the National Center on Minority Health and Health Disparities (NCMHD) in affiliation with the National Institutes of Health
- 8/2006-2/2007 **Graduate Research Assistant, Harvard T.H. Chan School of Public Health, Health Professionals Follow-up Study**
- Performed medical chart reviews, peripheral arterial disease coding, and data entry
- 6/2006-10/2006 **Graduate Research Assistant, Harvard T.H. Chan School of Public Health, Society, Department of Human Development, and Health**
- Collected data for an inner-city adult violence prevention project
  - Trained colleagues and recruited participants
  - Audio computer-assisted self-interview system utilized to collect data
- 9/2003-7/2005 **Research Assistant, Johns Hopkins Bloomberg School of Public Health, Project Sugar 2 Randomized Controlled Trial**
- Collected data through in-person and telephone interviews for a randomized controlled trial of primary care and community-based interventions to improve glycemic control in a sample of African Americans with type 2 diabetes; Conducted data entry and quality control

- 8/2003-6/2005 **Post-baccalaureate Fellow, Johns Hopkins School of Medicine, Research Education Program**
- Conducted independent research projects that resulted in 2 peer-reviewed articles focused on African-Americans with type 2 diabetes, presented at a national conference, completed epidemiologic and psychosocial courses, and participated in journal clubs and weekly seminars
  - First student to request placement at the Bloomberg School of Public Health
- 8/2002-5/2003 **Undergraduate Research Assistant, Bethune-Cookman University, Minority Biomedical Research**
- Investigated the beneficial effects of aspirin on chronic diseases by applying skills, such as: gel electrophoresis, aspirin assays, protein assays, animal maintenance and sacrifices, along with data analysis

**Academic Merit-based Awards**

2019	<b>Presidential Early Career Award for Scientists and Engineers</b>	United States Federal Government	Highest honor bestowed upon early career scientists who will broadly advance science and the mission important to the Department of Health and Human Services
2017	<b>Ernest J. Everett Just Lecture Prize Symposium</b>	College of Charleston’s Avery Research Center for African American History and Culture and Medical University of South Carolina	Encourage, foster, and publicize innovative research centered around factors affecting African Americans
2015	<b>Marco Cabrera Poster Award</b>	National Institute of Diabetes and Digestive and Kidney Disease – Network of Minority Research Investigators	Poster presentation winner for translational research
2014	<b>Outstanding Fellows Award</b>	Harvard T.H. Chan School of Public Health	Cardiovascular Epidemiology Forum presentation winner
2013	<b>First Place Novartis Institutes for Biomedical Research Postdoctoral Award</b>	Harvard Medical School	New England Science Symposium poster presentation winner
2011	<b>Miriam E. Brailey Award</b>	Johns Hopkins Bloomberg School of Public Health	Epidemiology Department award to support graduate training and research in epidemiology
2009	<b>Charlotte Silverman Award</b>	Johns Hopkins Bloomberg School of Public Health	Epidemiology Department award for outstanding commitment to public health, policy, and community outreach
2008	<b>Dr. and Mrs. Roscoe M. Moore, Jr. Award</b>	Johns Hopkins Bloomberg School of Public Health	Epidemiology Department award for a student who graduated from a historically black institution with promise in the field of public health
2005, 2006	<b>Edmond J. Curley Memorial Scholarship Award</b>	Harvard University	Promising graduate student

2003	<b>T.A. Adams Award for Pre-Medicine</b>	Bethune-Cookman University	Academic excellence in biology
2002	<b>Joseph E. Taylor Memorial Scholarship Book Fund</b>	Bethune-Cookman University	Academic excellence

**Professional Societies**

2018-date	Sex and Gender in Health and Disease Scientific Interest Group	Member
2017-date	Health Disparities Interest Group, NIH	Member
2017-date	Chronobiology and Sleep Interest Group, NIH	Member
2014-date	Sleep Research Society	Member
2014-date	Work and Family Researchers Network	Member
2014-2017	American Academy of Sleep Medicine	Member
2014	American Heart Association	Member
2012-2014	The Obesity Society	Member
2012-2014	National Postdoctoral Association	Member
2012	Society for Epidemiologic Research	Member

### **Editorial Roles**

12/2018- date	<b>Guest Editor for Special Issue (with Dr. Gary Adamkiewicz) on Social and Environmental Determinants of Health Disparities</b>	<i>International Journal of Environmental Research and Public Health</i>
1/2016- date	<b>Editorial Board Member</b>	<i>Sleep Health: Journal of the National Sleep Foundation</i>
12/2017- 12/2019	<b>Associate Editor</b>	<i>BMC Public Health</i>
7/2008- 12/2011	<b>Editorial Fellow:</b> - Conducted a podcast interview, reviewed and recommended reviewers for manuscripts - Provided input on and presented manuscripts up for decision - Facilitated (n=1) and provided input on conference workshops - Provided editorial, marketing, and public relations input	<i>Progress in Community Health Partnerships: Research, Education, and Action</i>

### **Grant Funding Information**

Funding period	2/2018 – 2/2020
Project title	<b>Biomarker Identification for Type 2 Diabetes Mellitus Using Metabolomics</b>
Funding source	Bench-to-Bedside – National Institute of Minority Health and Health Disparities (NIH)
Role	Principal Investigator
Funding level	\$300,000
Principal Investigator	Chandra L. Jackson, PhD, MS
Objective	Funding for research teams seeking to translate basic scientific findings into therapeutic interventions for patients and to increase understanding of important disease processes

Funding period	3/2014 - 8/2015
Project title	<b>Social Determinants of Black-White Disparities in Sleep by Occupational Class: A Mixed Methods Approach</b>
Funding source	Robert Wood Johnson Foundation Health and Society Scholars Program (Harvard)
Role	Principal Investigator
Funding level	\$10,000
Principal Investigator	Chandra L. Jackson, PhD, MS
Objective	Pilot projects with a high potential for integrating the theories, questions, and methods of two or more disciplines; Projects that involve high payoff in terms of opening new areas of inquiry, or that provide crucial preliminary data for preparing larger grant proposals; Projects with identifiable outcomes in terms of linking faculty and scholars across departments and schools

Funding period 12/2013 - 6/2014  
 Project title **Postdoctoral Research Training at Harvard**  
 Funding source National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK) T32 Supplemental Slot Program  
 Role Recipient  
 Funding level up to \$80,000 annually  
 Principal Investigator Frank B. Hu, MD, PhD  
 Objective To support postdoctoral research training for underrepresented minorities under the mentorship of an NIH-funded investigator

Funding period 6/2011 - 6/2012  
 Project title **Student Environmental Development Program Grant**  
 Funding source Environmental Protection Agency  
 Role Collaborator  
 Funding level \$35,000  
 Recipient Environmental Justice Partnership, Inc.  
 Objective To educate rising eighth grade students about environmental issues and to give them the knowledge, skills, and confidence to act as environmental ambassadors in their home communities, thereby educating their peers and neighbors and advancing the cause of good environmental stewardship

Funding period 4/2009 - 8/2010  
 Project title **Reverse the Trend: Healthy Trendsetters Movement™ - Youth Obesity Prevention Program**  
 Funding source Johns Hopkins Urban Health Institute  
 Role Academic Collaborator for Academic-Community Partnership  
 Funding level \$5,000  
 Recipient American Diabetes Association, Maryland Chapter  
 Objective To advance research and programming that relates to the health and well-being of the residents of Baltimore-drawing implications for urban health nationally and globally; student and community small grant collaboration

Funding period 8/2012 – 7/2016  
 Project title **Student Loan Repayment Program for Health Disparities Research**  
 Funding source National Institutes of Health  
 Role Contractor  
 Funding level up to \$35,000/year  
 Principal Investigator Chandra L. Jackson, PhD, MS (Michelle Williams, ScD – Research mentor)  
 Objective Repay student loans for conducting health disparities research

Funding period 2/2015-6/2017  
 Project title **Prevention and Wellness Trust Fund**  
 Funding source Massachusetts Department of Public Health  
 Role Lead evaluation member (played a major role in writing the proposal’s analytic plan)  
 Funding level \$2,150,000  
 Principal Investigators Charles Deutsch, PhD and Michelle Williams, ScD  
 Objective Evaluate a \$60 million initiative to reduce healthcare costs by preventing chronic conditions

Funding period 2/2015-4/30/2015  
 Project title **Health Disparities Enrichment Award**  
 Funding source Disparities Research Program, Harvard Catalyst | Clinical and Translational Science Center  
 Role Principal Investigator  
 Funding level \$2,500  
 Principal Investigators Chandra L. Jackson, PhD, MS  
 Objective Disparities Research Program Enrichment Award given to accelerate research related to health disparities using a Research Patient Data Registry at Harvard

Funding period 1/2016-4/30/2016  
 Project title **Health Disparities Enrichment Award**  
 Funding source Disparities Research Program, Harvard Catalyst | Clinical and Translational Science Center  
 Role Principal Investigator  
 Funding level \$3,000  
 Principal Investigators Chandra L. Jackson, PhD, MS  
 Objective Disparities Research Program Enrichment Award given to accelerate research related to health disparities using a Research Patient Data Registry at Harvard

**Conference Trainings or Honorific Participation:**

- 2019      **National Academy of Medicine (NAM) Emerging Leaders Forum, Washington, District of Columbia**  
 Aims to connect emerging leaders with NAM members working across all fields of health and medicine and related fields. Provides a platform for identifying novel means of tackling difficult problems in health
  
- 2019      **Academy of Behavioral Medicine Research Meeting Program, Tucson, Arizona**  
 Theme: Minding the Gap: Advancing our Understanding of Differences and Disparities in Health and Disease
  
- 2019      **20th Annual Harvard Medical School Nutrition Symposium, Longevity & Aging: Nutritional and Metabolic Mechanisms as a Nutrition Obesity Research Center at Harvard (NORCH) Diversity Scholar, Boston, Massachusetts**  
 Purpose: Foster a diverse network of researchers in the obesity/nutrition research by increasing awareness of resources and potential collaborations to enhance research efforts
  
- 2018      **Ten-Day Seminar on the Epidemiology and Prevention of Cardiovascular Disease and Stroke, American Heart Association, Lake Tahoe, California**  
 Provides training with the goal of enhancing the pursuit of successful careers related to cardiovascular epidemiology
  
- 2018      **XP Advanced: Statistical Methods for OMICs profiling and Integration at Imperial College of London, London, United Kingdom**  
 The course presents techniques to analyze and integrate OMICs data in an exposome concept
  
- 2017      **Molecular Epidemiology of Chronic Disease and the Exposome at Utrecht University, Utrecht, The Netherlands**  
 The course introduces the concepts, principles, and use of molecular methods in epidemiologic research. Topics that will be covered include: introduction into platforms (epigenetics, transcriptomics, proteomics, metabolomics), implementation of molecular markers in epidemiology, and the role of molecular epidemiology in the analysis of the exposome

- 2016 **Oxford Sleep and Circadian Neuroscience Institute Training on Sleep Medicine and Chronobiology at the University of Oxford, Oxford United Kingdom**  
A series of shared lectures and seminars as well as separate, subject-specific workshops. The aim was to give attendees a practical understanding of sleep medicine from fundamental research to applied science
- 2016 **Summer School on Social Determinants of Health, University College of London London, UK**  
Provided an in-depth assessment of the social determinants of health from a global research, policy, and governance perspective
- 2016 **Training on Optimization of Behavioral and Biobehavioral Interventions, The Methodology Center, Penn State University; Training location: Bethesda, MD**  
Gain skills to use the multiphase optimization strategy to optimize behavioral and biobehavioral interventions
- 2016 **Sleep Regulation & Function - Gordon Research Conference (as a Carl Storm Underrepresented Minority Fellow), Galveston, TX**  
Identify critical gaps in evidence and highlight promising methodologies and model systems to further explore the regulation and function of sleep
- 2015, 2017 **Programs to Increase Diversity among Individuals Engaged in Health-Related Research, Behavioral Medicine and Sleep Disorders Program, New York University School of Medicine, New York, NY**  
Mentored research training programs address difficulties experienced by junior investigators in establishing independent research programs and in negotiating academic ranks
- 2015 **8<sup>th</sup> Annual Bedside to Bench Conference: “Sleep, Circadian Rhythms, and Aging: New Avenues for Improving Brain Health, Physical Health, and Functioning,” National Institute of Aging and the American Geriatrics Society, Bethesda, MD**  
Promote increased attention to high-quality research in the important area of geriatric sleep
- 2015 **Mixed Methods Research Institute, Hopkins-Harvard Retreat, Baltimore MD (invited as speaker/facilitator)**  
Scholars (n=14) learned how to implement mixed methods into their research program
- 2015 **American Academy of Sleep Medicine, 7<sup>th</sup> Young Investigators Research Forum, Bethesda, MD**  
Career development aid for promising young investigators in sleep medicine research
- 2014 **14<sup>th</sup> Annual NIH Summer Institute on Randomized Behavioral Clinical Trials, Office of Behavioral and Social Sciences Research, National Institutes of Health, Warrenton, Virginia**  
Planning, design, and execution of RCTs involving behavioral interventions

### **Travel Grant Awards**

- 2015 **American Society of Nephrology Travel Award to Network of Minority Research Investigators**  
National Institute of Diabetes and Digestive and Kidney Disease – Network of Minority Research Investigators
- 2014, 2015 **Knowledge & Education Expansion Project Travel Award (n=2)**  
Transdisciplinary Research on Energetics and Cancer Conference; SLEEP 2015 conference

- 2014      **Sleep Research Society First Time Attendee Travel Award**  
Associated Professional Sleep Societies travel award for first time attendees
- 2014      **Epidemiology Minority Travel Grant Award**  
American Heart Association Epidemiology and Prevention/Nutrition, Physical Activity  
and Metabolism 2014 Scientific Sessions
- 2013      **Network of Minority Health Research Investigators Travel Award**  
National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK)
- 2010      **Meeting of the Nobel Laureates and Young Researchers in Lindau, Germany**  
650 (out of 20,000) PhD students selected to attend a scientific conference focused on the  
transfer of scientific knowledge to the next generation of promising scientists

**Academic Scholarships**

- 2007-2012      **Inaugural C. Sylvia and Eddie C. Brown Community Health Scholarship**  
Full tuition/fees and living stipend for 5 years; \$15,000 grant for dissertation  
project focusing on minority health at the Johns Hopkins Bloomberg School of Public Health
- 2005-2007      **Public Health Training Grant**  
Full tuition at Harvard T.H. Chan School of Public Health
- 1999-2003      **Presidential Scholarship**  
Full tuition/fees, room and board, and books at Bethune-Cookman University

**Invited Oral Presentations**

**Conference Symposium**

- 2018      Invited Workshop Co-Chair with Dr. Grace Ma, The Role of Sleep in Health Disparities: Causes and Health Consequences. Sponsored National Institute of Minority Health and Health Disparities/ National Heart, Lung, and Blood Institute, and Office of Behavioral and Social Sciences Research. Rockville, Maryland. June 20-21, 2018

**INTERNATIONAL**

- 2020      Invited Speaker, Coping with COVID-19 Livestream: Sleep and Health, August 14, 2020
- 2019      Invited Speaker, Addressing Disparities through Translational Research that Integrates Social Epidemiology with Etiologic Research: The Example of Sleep and Cardiometabolic Health. Theme: Overcoming Disparities in Translational Research in Low-Resourced/Underserved Areas. Society for Scientific Advancement 8<sup>th</sup> Annual Conference, Kingston, Jamaica. November 20-22, 2019
- Invited Speaker, The Epidemiology of Sleep and Population Health Implications. World Sleep Congress, Vancouver, Canada. September 24, 2019

**NATIONAL**

- 2020      Invited Speaker, Social and Environmental Determinants as well as Health Consequences of Sleep Disparities, National Advisory Environmental Health Sciences Council. Durham, North Carolina. September 15, 2020

Invited Speaker, Using Biomarkers within the Exposome Approach to Advance Health Disparities Research (Webinar). Predicting Human Health Effects from Environmental Exposures: Applying Translatable and Accessible Biomarkers of Effect. Committee on the Use of Emerging Science for Environmental Health Decisions. National Academy of Sciences, Engineering, and Medicine. August 13, 2020

Invited Lecturer, Sleep Disparities: Refining the Narrative to Ask Informative Research Questions. 34<sup>th</sup> Annual Meeting of the Associated Professional Sleep Societies, LLC. Philadelphia, Pennsylvania. Scheduled for August 29, 2020 \*1 of 7 annual selections from nomination to planning committee

Invited Keynote Speaker, Differential Adverse Exposures across the Life Course as Contributors to Health Disparities, Lifespan and Health Disparities Conference. University of Pittsburgh Clinical and Translational Science Institute, Philadelphia, Pennsylvania. Scheduled for May 1, 2020 **\*cancelled due to the coronavirus pandemic**

Invited Keynote Speaker, Determinants and Consequences of Racial/Ethnic Disparities in Disordered Sleep and Obesity. Network of Minority Research Investigators, National Institute of Diabetes and Digestive and Kidney Diseases, Bethesda, Maryland. Scheduled for April 24, 2020 **\*cancelled due to the coronavirus pandemic**

Invited Grand Rounds Speaker. Determinants and Health Consequences of Sleep Disparities. Duke Neurology Grand Rounds, Durham, North Carolina. March 11, 2020

Invited Speaker, Improving Sleep Health in Our Communities. Harvard Black Health Matters Conference. Harvard University. Cambridge, Massachusetts. February 9, 2020

2019 Invited Speaker, Sleep Health Disparities for Clinicians. The New Jersey Sleep Society Annual Symposium. Princeton, New Jersey. November 2, 2019 \*Continuing Medical Education credits offered

Invited Speaker, Housing Conditions as Environmental and Social Determinants of Sleep Health. Department of Population Health. School of Medicine. Columbia University Mailman School of Public Health. New York, New York. October 4, 2019

Invited Speaker, The Social Epidemiology of Sleep Health. Johns Hopkins Bloomberg School of Public Health. Baltimore, Maryland. June 24, 2019

Invited Grand Rounds Speaker, Environmental and Social Determinants of Sleep Health and Sleep Health Disparities. Division of Endocrinology and Diabetes, The Children's Hospital of Philadelphia, Philadelphia, Pennsylvania. June 19, 2019.

Invited Speaker, Causes and Consequences of Sleep Health Disparities. 33<sup>rd</sup> Annual Meeting of the Associated Professional Sleep Societies, San Antonio, Texas. June 9, 2019

2018 Invited Speaker, The Epidemiology of Racial/Ethnic Disparities in Sleep Health and Sleep Disorders among Women in the United States. 2018 Research Conference on Sleep and the Health of Women. National Institutes of Health. Bethesda, Maryland. October 16, 2018

Invited Keynote Speaker, Interconnected Social and Environmental Factors Shaping Health Disparities across the Lifecourse: The Sleep Example. 3<sup>rd</sup> Annual Meeting of the United States Developmental Origins of Health and Disease Society. Research Triangle Park, North Carolina. October 2, 2018

Invited Speaker, The Causes and Health Consequences of Suboptimal Sleep Health. Equity Research and Innovation Center. Yale University School of Medicine. New Haven, Connecticut. September 17, 2018

Invited Speaker, Environmental Pollutants and Sleep: Defining the toxicological effect of smog/fine particulate matter in highly-polluted metropolitan areas on adults with sleep-disordered breathing. 32<sup>nd</sup> Annual Meeting of the Associated Professional Sleep Societies, Baltimore, Maryland. June 3, 2018

Invited Speaker, Social and Environmental Determinants of Sleep Health Disparities. Office of Behavioral and Social Sciences Research, National Institutes of Health. Bethesda, Maryland. June 1, 2018.

Invited Speaker, Modifiable Physical and Social Environmental Factors that likely Contribute to Racial/Ethnic and Socioeconomic Disparities in Cardiometabolic Health: Sleep as a Case Example. Integrating biosocial perspectives to understand health disparities across the lifespan. 43<sup>rd</sup> Annual Meeting of the Human Biology Association. Austin, Texas. April 11, 2018

Invited Speaker, Moderate Alcohol Consumption and Sleep. Moderate Alcohol and Cardiovascular Health (MACH15) Steering Committee Meeting. Alexandria, Virginia. March 15, 2018

Invited Speaker, Social and Environmental Determinants of Sleep Health and Cardiometabolic Disparities. John Ruffin Monthly Seminar Series, Laboratory of Epidemiology and Population Sciences, National Institute of Aging. Baltimore, Maryland. January 12, 2018

2017 Invited Speaker, Diversity Matters: How Increasing the Involvement of Under-Represented Minorities and Women in Sleep Research Can Enhance our Science. Sleep 2017 31<sup>st</sup> Annual Meeting of the Associated Professional Sleep Societies, LLC. Baltimore, Maryland. June 6, 2017

Invited Speaker, Racial/Ethnic and Socioeconomic Disparities in Disordered Sleep and Obesity. The Potential Role of Sleep in Obesity Prevention and Management: A Virtual Workshop (Webinar). National Academy of Sciences, Engineering, and Medicine. February 17, 2017

2016 Invited Speaker, Suboptimal Sleep as a Potential Fundamental Contributor to Cardiovascular Health Disparities. Sleep and Chronobiology Lab directed by Dr. Mary Carskadon. Brown University, Providence Rhode Island. November 15, 2016

Invited Speaker, Sleep as a Potential Fundamental Contributor to Disparities in Cardiovascular Disease. National Institute on Minority Health and Health Disparities. Department of Health and Human Services. Bethesda, Maryland. September 27, 2016

Invited Speaker, Does the Work Environment Contribute to Sleep Health Disparities? Sleep Epidemiology Group, Division of Sleep Medicine, Harvard Medical School. Boston, Massachusetts, April 18, 2016

- 2015 Invited Speaker (as an Earl Stadtman Tenure Track Investigator Finalist), Suboptimal Sleep and Nutrition as Major Modifiable Contributors to Health Disparities. National Institute of Environmental Health Sciences, National Institutes of Health, Durham, North Carolina. December 14, 2015
- Invited Speaker, Suboptimal Sleep and Nutrition as Major Modifiable Contributors to Health Disparities. Department of Social Medicine, School of Medicine, University of North Carolina at Chapel Hill, Chapel Hill, North Carolina. November 5, 2015
- Invited Speaker (TedTalk style), Addressing Sleep Health Disparities in the 21<sup>st</sup> Century by Reflecting on Our Past: It's OUR Job. 2015 Harvard Chan Alumni Weekend. Boston, Massachusetts. October 3, 2015
- Invited Speaker, Ways to Improve your Sleep, YMCA Seniors on the Move Event, Roxbury, Massachusetts. May 18, 2015
- 2014 Invited Co-Chair with Dr. Jeanne Clark, Session on the Obesity Paradox among Clinical Populations. Obesity Society Annual Meeting. Boston, Massachusetts. November 4, 2014
- Invited Panelist, Leaders in Diversity Student-Alumni Dinner, Harvard T.H. Chan School of Public Health. Boston, Massachusetts. October 25, 2014
- Invited Speaker for Marion Mason Nutrition Seminar, Black-White Differences in the Relationship between Alcohol Drinking Patterns and Mortality among US Men and Women. Simmons College. Boston, Massachusetts. September 25, 2014
- Invited Learning Collaborative Speaker, Community Health Center Strategies to Address Hypertension Disparities through Sodium Reduction. Boston Public Health Commission (City Health Department), Boston, Massachusetts. August 8, 2014
- Invited Speaker, White, Black, Asian and Immigrant Disparities in Short Sleep Duration by Industry of Employment and Occupation. Work and Family Researchers Network Conference, New York, New York. June 19, 2014
- Invited Speaker, Alcohol Drinking Patterns and Mortality among Blacks and Whites in the United States. Harvard T.H. Chan School of Public Health, Nutrition Department Seminar. Boston, Massachusetts. April 24, 2014
- Invited Speaker, Disparities in Short Sleep Duration by Industry of Employment and Occupation. Quantitative Health Sciences Department, University of Massachusetts Medical School. Worcester, Massachusetts. April 14, 2014
- Invited Speaker, Black-White Differences in the Relationship between Alcohol Drinking Patterns and Mortality. Harvard Cardiovascular Epidemiology Trainee Forum Competition. Boston, Massachusetts. March 28, 2014
- 2014 Invited Grand Rounds Speaker, Strategies to Address Hypertension Disparities. Boston Public Health Commission, Boston, Massachusetts. November 21, 2014
- 2013 Invited Speaker for Black Men's Forum, Health in Black America, Harvard College. Boston, Massachusetts. October 7, 2013

Invited Speaker and Panelist, Dialogue on Race, Justice, and Public Health. Harvard T.H. Chan School of Public Health. Boston, Massachusetts. September 12, 2013

Invited Speaker and Panelist, Science Careers, Bethune-Cookman University, Daytona Beach, Florida. October 25, 2013

2012 Invited Speaker, The BMI-mortality relationship is weaker in Blacks than Whites: Fact vs. Artifact? Harvard T.H. Chan School of Public Health, Nutrition Department Seminar. Boston, Massachusetts. November 19, 2012

2009 Invited Speaker and Panelist, Advice for Applying and Excelling in Graduate School, Johns Hopkins Bloomberg School of Public Health, Baltimore, Maryland. September 29, 2009

Invited Speaker, Project Recommendations for Cardiovascular and Diabetes Health Disparities City Initiative, Baltimore City Hall (delivered to Mayor and cabinet), Baltimore, Maryland. August 10, 2009

#### **Invited Introductions**

2014 Invited to introduce Sam Kass (White House Chef and Policy-maker), Voices in Leadership Seminar Series, Harvard T.H. Chan School of Public Health, Boston, Maryland. October 9, 2014

Invited to introduce Bill Strickland (Community Developer and Author), Decision Making: Voices from the Field Leadership Series, Harvard T.H. Chan School of Public Health, Boston, Massachusetts. March 4, 2014

2013 Invited to introduce Dr. Moyses Szklo, 157<sup>th</sup> Cutter Lecturer and Award Recipient at Harvard T.H. Chan School of Public Health, Boston, Massachusetts. May 1, 2013

#### **LOCAL (North Carolina)**

##### **Seminars**

2019 Invited Speaker, Methodological Challenges and Opportunities for the Social Epidemiology of Sleep Health, Social Epidemiology Seminar. Epidemiology Department, University of North Carolina at Chapel Hill. Chapel Hill, North Carolina. October 25, 2019

2018 Invited Speaker, Social & Environmental Determinants of Sleep Health Disparities. North Carolina Women of Color Research Network Symposium. Research Triangle Park, North Carolina. May 31, 2018

Invited Speaker, Sleep Health Matters: Practical Tips to Reclaim Your Time. Women' Health Awareness Day. Durham, North Carolina. April 7, 2018

2017 Invited Speaker, Is there a connection between epigenetics and the epidemiology of sleep disparities? Chromatin & Gene Expression Group, Epigenetics & Stem Cell Biology Laboratory. Research Triangle Park, North Carolina. December 14, 2017

Invited Speaker, Social and Environmental Determinants of Sleep Health Disparities, Social Epidemiology Seminar. Epidemiology Department, University of North Carolina at Chapel Hill. Chapel Hill, North Carolina. October 25, 2017

Invited Speaker, Social Determinants of Sleep Health. Duke Health Center at Roxboro Street Children's Primary Care Clinic. Durham, North Carolina. (Continuing Medical Education credit granted) April 21, 2017

Invited Speaker, Racial/Ethnic and Socioeconomic Disparities in Sleep Deprivation and Disorders. Alliance Behavioral Healthcare. Duke University Health System. Northern Piedmont Community Care. Durham, North Carolina. February 7, 2017

Invited Speaker, Suboptimal Sleep as a Potential Fundamental Contributor to Cardiovascular Disease Disparities. Cardiovascular Disease Epidemiology Group, Epidemiology Department, University of North Carolina at Chapel Hill. Chapel Hill, North Carolina. January 24, 2017

2016 Invited Speaker, Misalignment Between Evolutionary Sleep Needs and Contemporary Social Demands: Contributor to Health Disparities in the United States? Awakening to the Significance of Sleep and Health Disparities: A Global Evolutionary Perspective Symposium. Duke University School of Medicine, Durham, North Carolina. December 1, 2016

## **Oral Presentations**

### **Conference Symposium**

2019 Symposium Co-Chair with Dr. Dayna Johnson, Presentation: Epidemiology of Sleep Health Disparities: Advances in the Literature. Topic: Suboptimal Sleep as a Contributor to Cardiovascular Disease Disparities: Challenges and Opportunities to Translate Knowledge into Action. Society for Behavioral Sleep Medicine. Birmingham, Alabama. September 14, 2019

Symposium Chair, Health Disparities in Sleep Medicine: A Call to Action for Researchers and Clinicians. SLEEP 2018 33<sup>rd</sup> Annual Meeting of the Associated Professional Sleep Societies, LLC. San Antonio, Texas. June 10, 2019

2018 Symposium Chair, Expanding Diversity in Sleep Research & Medicine - Within and Beyond our Ranks. SLEEP 2018 32<sup>nd</sup> Annual Meeting of the Associated Professional Sleep Societies, LLC. Baltimore, Maryland. June 4, 2018

Symposium Co-Chair with Dr. Dayna A. Johnson, Suboptimal Sleep as an Understudied but Fundamental Contributor to Poor Health. Society for Epidemiologic Research Annual Meeting. Baltimore, Maryland. June 2018

### **International**

2019 Speaker, Multiple Sleep Dimensions and Chronic Kidney Disease: Findings from the Multi-Ethnic Study of Atherosclerosis. World Sleep Congress. Vancouver, Canada. September 24, 2019.

### **Local, Regional, or National Contributions**

2020 Speaker, An Intersectionality Framework for Exploring Sleep Disparities: A Sequential Mixed Methods Analysis. Symposium Title: Novel Approaches to Understanding Complex Determinants of Disparities in Sleep Health. 34<sup>th</sup> Annual Meeting of the Associated Professional Sleep Societies. Virtual. August 28, 2020

Speaker, Social Determinants of Black-White Disparities in the Work-Sleep Relationship by Occupational Class: A Sequential Mixed Methods Approach. Symposium Title: Associations among Adverse Childhood Experiences and Adolescent Sleep and Circadian-related Outcomes. 34<sup>th</sup> Annual Meeting of the Associated Professional Sleep Societies. Virtual. August 28, 2020

- Speaker, Presentation title: TBD. Symposium title: Novel Approaches to Understanding Complex Determinants of Disparities in Sleep Health. 34<sup>th</sup> Annual Meeting of the Associated Professional Sleep Societies, Philadelphia, Pennsylvania. Scheduled for June 16, 2020
- 2019 Speaker, Sleep and Pregnancy, Child Health, and Human Development. National Institute of Child Health and Human Development. Bethesda, Maryland. November 15, 2019
- Speaker, Does Developmental Timing and Trauma-Related Distress/Anxiety Modify the Relationship between Traumatic Childhood Experiences in Adulthood among a Racially/Ethnically Diverse Cohort of Women? 4<sup>th</sup> Annual Meeting of the United States Developmental Origins of Health and Disease Society. Research Triangle Park, North Carolina. September 9, 2019
- Speaker, Does Developmental Timing and Trauma-Related Distress/Anxiety Modify the Relationship between Traumatic Childhood Experiences in Adulthood among a Racially/Ethnically Diverse Cohort of Women? 33<sup>rd</sup> Annual Meeting of the Associated Professional Sleep Societies, San Antonio, Texas. June 12, 2019
- Speaker, Racial/Ethnic Disparities in Sleep Duration and Sleep Disturbances among Pregnant and Non-Pregnant Women in the United States. 33<sup>rd</sup> Annual Meeting of the Associated Professional Sleep Societies, San Antonio, Texas. June 12, 2019
- 2016 Speaker, The Relationship between Sleep Duration and Alcohol Drinking Patterns among Black and White Men and Women in the United States. SLEEP 2016 30th Annual Meeting of the Associated Professional Sleep Societies, LLC. Denver, Colorado. June 13, 2016
- Speaker, Examining Racial and Socioeconomic Disparities in the Work-Sleep Relationship: A Biopsychosocial Perspective using a Socioecologic Framework. Programs to Increase Diversity Among Individuals Engaged in Health-Related Research (PRIDE) Annual Meeting. Bethesda, Maryland. April 25, 2016
- Speaker and Panelist, Work, Family, and Health among Employed Black and White Men and Women in the United States, Session: Work and Insecurity: Impacts on Families, on Health, and Across Gender and Race. Work and Family Researchers Network conference, Washington, District of Columbia. June 23, 2016
- Speaker and Panelist, Racial Differences in Obesity Trends by Industry of Employment, 2004 to 2011. Work and Family Researchers Network conference, Washington, District of Columbia. June 24, 2016
- 2015 Speaker, Can the Work Environment Impact Disparities in Sleep Health and Disease Risk? Massachusetts Association for Health, Physical Education, Recreation, and Dance. Worcester, Massachusetts. November 3, 2015
- Speaker, Is the Social Work Environment a Major Contributor to Racial/Ethnic and Socioeconomic Health Disparities? Harvard Center for Population and Development Studies, Cambridge, Massachusetts. October 16, 2015
- Speaker, Atlas.ti Demonstration. Mixed Methods Research Training Program for the Health Sciences. Site: Johns Hopkins Bloomberg School of Public Health, Baltimore, Maryland. June 16, 2015

- Speaker, The Work Environment and its Potential Impact on Disparities in Sleep Health and Subsequent Disease Risk. Johns Hopkins Bloomberg School of Public Health, Baltimore, Maryland. June 15, 2015
- 2014 Speaker, Sleep Disparities by Industry of Employment and Occupation. Harvard T.H. Chan School of Public Health (presentation to Sir Michael Marmot), Boston, Massachusetts. May 5, 2015
- Speaker, Black-White Disparities in Short Sleep Duration by Industry of Employment and Occupation. Epidemiology Department, Emory University, Atlanta, Georgia. November 22, 2014
- 2013 Speaker, Association between Sleep Duration and Diabetes in Black and White Adults. National Institute of Diabetes and Digestive and Kidney Disease Network of Minority Research Investigators Workshop. Bethesda, Maryland. April 19, 2013
- Speaker, Association between Sleep Duration and Diabetes in Black and White Adults. 73<sup>rd</sup> Annual American Diabetes Association Conference. Chicago, Illinois. March 22, 2013
- 2012 Speaker, Body Mass Index and Mortality Risk in US Blacks Compared to Whites, Obesity Society Conference. San Antonio, Texas. September 22, 2012
- Speaker, Obesity Epidemiology in the United States lecture. Advanced Epidemiology Methods II. Tougaloo College, Jackson, Mississippi. July 12, 2012
- Speaker, Black-White Disparities in Obesity Trends and Obesity-related Mortality in the United States Population. Diabetes & Obesity Journal Club. The Johns Hopkins Bloomberg School of Public Health, Epidemiology Department. Baltimore, Maryland. May 30, 2012
- 2011 Speaker and Discussant, Publishing in *Progress in Community Health Partnership: Research, Education, and Action* Workshop. Community-Campus Partnerships for Health. Waterloo, Canada. May 11, 2011
- 2009 Speaker, The Black-White Disparity in Obesity Trends and Obesity-related Mortality in the US Population. Diabetes & Obesity Journal Club. Johns Hopkins Medical Institutions, Welch Center for Prevention, Epidemiology and Clinical Research. Baltimore, Maryland. November 23, 2009
- 2008 Speaker, Correlates of Medication Non-adherence among Urban African-Americans with Type 2 diabetes. Oral Presentation at the 136<sup>th</sup> American Public Health Association. San Diego, California. October 26, 2008

### **Peer-Reviewed Publications (Underlined name = Student/Advisee)**

### **Research in the Popular News Media**

2019	Artificial Light at Night During Sleep and Obesity Risk	The Today Show; Good Morning America; CNN; NBC Nightly News with Lester Holt; The New York Times; Forbes; Huffington Post; The Guardian; Harvard Health; Fox; Healio
2015	Disparities in Alcohol-Mortality Relationship	US News & World Report; Harvard SPH; Harvard Gazette
2014	Disparities in Sleep by Employment Industry	The New York Times; US News & World Report; USA Today; CBS News Boston; Harvard SPH; Harvard Gazette; Healio
2013	Impact of Obesity	Scientific American
2013	BMI is of Paramount Importance	Bloomberg News; Forbes
2012	BMI-Mortality Relationship by Diabetes Status	Health Day

### **Committee Service to Scientific Field**

1 year	1/2019-8/2019	Task Force Member, Sleep Research Society's Reimaging the Sleep Conference
1 day	8/8/2018	Invited Participant, Sleep Research Society's Board of Directors Strategic Planning Workgroup Meeting, Darien, Illinois
1 day	10/2/2019	Moderator, Theme 4: Environmental Epigenomics and Cellular Models of Developmental Origins of Health and Disease. 3 <sup>rd</sup> Annual Meeting of The United States Developmental Origins of Health and Disease Society. Research Triangle Park, North Carolina. October 1, 2018

2 weeks	2017	Subject Matter Expert, Social-Environmental Dialogues for Interdisciplinary Research Planning, Environmental Protection Agency, Research Triangle Park, North Carolina (10/30-11/21/2017)
1 year	2015-2016	Selected Planning Subcommittee Member of the Trainee Education Advisory Committee for the Sleep Research Society, Trainee Symposia Series for SLEEP 2016 annual conference, Denver, Colorado

### **University Committee Service**

2 years	2015-2016	Seminar Series Director, Community Capacity Building Seminars, Harvard Catalyst, Massachusetts Department of Public Health
1 year	2010-2011	Student Representative, Admissions Committee for Epidemiology Department, Johns Hopkins Bloomberg School of Public Health
1 year	2006-2007	Global Chat Coordinator, Seminar Series at Harvard T.H. Chan School of Public Health

### **Government/Institutional Service**

7/2019-present	Search Committee Member, Clinical Research Branch, NIEHS
4/2019	Session Chair, New Scholars Connect Program Spring Symposium, NIEHS
5/2018	Scientific Abstract Judge, Fellows Award for Research Excellence, NIH
7/27/2017	Scientific Poster Judge, Scholars Connect Program, NIEHS
9/13/2017	NIH Future Leaders Panel (Tenure-Track Investigators), NIH
10/2017; 10/2018	Scientific Poster Judge, Science Days Symposium, NIEHS

### **Teaching of Students in Courses (guest lectures unless specified)**

2014	<b>Race, Ethnicity, and Health</b> Racial/Ethnic Disparities in Sleep Health 25 students	Boston, Massachusetts Northeastern University
2013	<b>Advanced Topics in Obesity Epidemiology and Prevention</b> Practical Skills in Community-Based Participatory Research 20 students	Boston, Massachusetts Harvard T.H. Chan School of Public Health
2012	<b>Advanced Topics in Nutrition</b> Effective PowerPoint Presentation Skills 15 students	Boston, Massachusetts Harvard T.H. Chan School of Public Health
2008,2010,2011	<b>Principles of Epidemiology (Co-Instructor)</b> Approximately 20 Public Health students from across the United States with Dr. Moyses Szklo	Jackson, Mississippi Six-Day course at Jackson Heart Study site
2009, 2012	<b>Advanced Epidemiology Methods II (Co-Instructor)</b> Approximately 20 Public Health students from across the United States with Dr. Moyses Szklo	Jackson, Mississippi Six-Day course at Jackson Heart Study site
2010, 2011	<b>Introduction to Diabetes and Obesity</b> 45 students	Baltimore, Maryland

### Postdoctoral Trainees

Start/End date	Name	Research area	Current position
February 21, 2017- December 7, 2018	<b>Ketrell McWhorter,</b> <b>PhD, MBA</b>	Perinatal Health and Health Disparities (e.g., Diabetes)	Tenure-Track Assistant Professor, Ashbury University
Awards/honors received while under my mentorship:
