

Kristen Moore (Tillerson), Ph.D.

1717 Great Bend Drive Durham, NC 27704 | kristen.moore@nih.gov | 770-906-7986

EDUCATION

University of North Carolina at Chapel Hill (MSPH/PhD Program) MSPH in Epidemiology, concentration in Infectious Diseases Doctor of Philosophy, Epidemiology	Chapel Hill, NC August 2007-December 2011 January 2013-May 2016
Costa Rican Language Academy Four weeks of basic Spanish	San Jose, Costa Rica June 2007
Spelman College Bachelor of Science in Mathematics, GPA: 3.73/4.00 Coursework concentrations in Pre-Med and Public Health	Atlanta, GA August 2003-May 2007
Duke University Summer Medical Education Program (SMEP) Coursework emphasis in Physics, Organic Chemistry, Writing and Calculus	Durham, NC June 2004-August 2004

EXPERIENCE

National Institute of Environmental Health Sciences Epidemiology Department: Women's Health Group <i>Minority Intramural Research Training Award Postdoctoral Fellow (July 2016-Present)</i> <i>Minority Intramural Research Training Award Predoctoral Fellow (January 2013-June 2016)</i> <i>Special Volunteer (January 2012-December 2012)</i> <ul style="list-style-type: none">• Published 3 first author manuscripts and 1 co-authored manuscript• Wrote, presented and received proposal for funding of serological tests (~\$100,000)• Participate in weekly journal clubs (presented at 3)• Present research at local meetings and major conferences	Research Triangle Park, NC January 2012-Present
American Journal Experts <i>Contract Editor</i> <ul style="list-style-type: none">• Revised 12 manuscripts to improve phrasing, diction, and grammar before submission to journals in the topic areas of epidemiology, public health, infectious diseases and sexual and reproductive medicine	Durham, NC October 2013-June 2014
GlaxoSmithKline Worldwide Epidemiology Department <i>Research Assistant</i> <ul style="list-style-type: none">• Co-authored 1 manuscript• Critically reviewed papers and proposals, wrote protocols and created presentations• Conducted literature reviews on various topics related to gastrointestinal disorders, lupus, and other diseases	Research Triangle Park, NC June 2008-December 2012

University of North Carolina at Chapel Hill

Department of Epidemiology

Graduate Student

- Conducted prospective (time-to-event) data analysis, wrote manuscript and presented results on Master's paper research on HIV disclosure and retention in care in an international cohort

Database Designer

- Created a Microsoft Access database for the UNC-CH and Kinshasa School of Public Health Glaser OR Household Survey

Global AIDS Project Research Assistant

- Performed quality control on study database and basic data analyses using SAS
- Wrote 2 abstracts and created 2 posters for international conferences
- Conducted literature reviews on topics related to HIV

Chapel Hill, NC

September 2007-December 2011

Atlanta University Center

NIMH-COR Honors Training Program

Research Intern

- Conducted extensive literature review on the higher incidence rate of HIV infection among African-American women

Atlanta, GA

May 2006-May 2007

Atlanta University Center

Public Health Sciences Institute & CDC

Research Intern

- Published a systematic review paper on the modes of transmission of HIV infection among African-American women
- Presented at 1 conference

Atlanta, GA

April 2005-May 2007

University of Michigan, School of Public Health

Summer Enrichment Program (SEP)

Detroit Department of Health and Wellness Promotion Intern

- Conducted telephone interviews for the Village Health Workers Program
- Developed and maintained Microsoft Access databases; analyzed data and summarized results
- Supervised over 100 volunteers at the 2nd Annual Substance Abuse Prevention Walk

Ann Arbor, MI

June 2006-August 2006

University of Virginia

Summer Research Internship Program

Research Intern

- Conducted research project on Sam68-RNA-binding protein and HIV Rev Protein
- Presented research to internship program (oral presentation)

Charlottesville, VA

June 2005-August 2005

HONORS AND AWARDS

1 st Place Poster Award, Society for Epidemiologic Research Annual Meeting	June 2015
UNC Department of Epidemiology Travel Award (\$500)	May 2015
NIEHS Epidemiology Branch Trainee Research Award (~\$100,000)	February 2014
NIEHS Minority Intramural Research Training Award Fellow	January 2013-Present
Alpha Lambda Delta Graduate Fellowship	August 2008-May 2009
UNC Graduate School Merit Assistantship	August 2007-May 2008
Phi Beta Kappa	March 2007-Present
3 rd Place, Family Institute Conference Student Paper Competition	April 2007
African American Scholars Program Award	September 2006
Spelman College Dean Scholar	May 2003-May 2007

TEACHING AND LEADERSHIP EXPERIENCE

Teaching Assistant, UNC Chapel Hill

Spring 2014

Methods in Field Epidemiology Course (online)

- Corresponded with 19 students electronically and via online review webinars
- Graded all coursework (individual projects, group assignments, quizzes) and fielded questions from students
- Facilitated group outbreak investigation case study

Vice President, Student Health Associates and Peer Educators

April 2006-May 2007

Chair of the HIV/AIDS, STDs, Abstinence Committee

- Managed a committee of 22 people
- Planned events surrounding the issues of HIV/AIDS, STDs and abstinence
- Served on a panel for a HIV/AIDS event hosted by Magic Johnson

OTHER ACTIVITIES AND AFFILIATIONS

Society for Pediatric and Perinatal Epidemiologic Research-Member	2015
H.E.R. Story Mentoring Program-Mentor	August 2012-May 2013
Women and Math Mentoring Program-Mentor	January 2011-June 2012
World Overcomers Christian Church-Volunteer	September 2009-April 2010; August 2012-January 2013
Atlanta University Center Public Health Association-Member	September 2005-May 2007
Spelman/ Morehouse Concert Band-Member	August 2003-May 2005

SELECT PRESENTATIONS out of 16

- "Reproductive Tract Infections and Uterine Fibroids," Doctoral Defense, UNC Chapel Hill, March, 2016
- "Self-Reported Reproductive Tract Infections and Ultrasound Diagnosed Uterine Fibroids": Poster Presentation, Society for Epidemiologic Research Annual Meeting, Denver, CO, June 2015
- "Reproductive Tract Infections and Uterine Fibroids," Oral Presentation of Proposal Defense, UNC Chapel Hill, February 2014
- "Sexually Transmitted Infections and Uterine Fibroids: Proposal for NIEHS Epidemiology Branch Funding", NIEHS Epidemiology Department Branch Meeting, RTP, NC, November 2013
- "HPV-Related Factors are Inversely Associated with Prevalence of Uterine Fibroids": Poster Presentation, NIEHS Epidemiology Department, BSC Review, RTP, NC, 2013
- "HIV Disclosure and Retention in Care in an Integrated TB/HIV Treatment Program in Kinshasa, DRC": Oral Presentation of Master's Paper, UNC Chapel Hill, 2011
- "Explaining Racial Disparities in HIV/AIDS Incidence among Women in the U.S.: A Systematic Review": Poster Presentation, CDC & ATSDR 11th Biennial Symposium on Statistical Methods, Atlanta, GA, 2007
- "Understanding Modes of Transmission of HIV Infection among African-American Women": Poster Presentation, 11th Annual Atlanta University Center Public Health Awareness Conference, Atlanta, GA, 2006
- "The Effect of Sam68 Expression on Gagpol CTE with or without Tap NXT1 and HIV Rev/RRE Mediated Export Intron Containing RNA": Oral Presentation, UVA SRIP, Charlottesville, VA, Summer 2005
