2019 Distinguished Lecture Series

Genes, Environment, Autism, and Precision Public Health: At the Nexus of Multi-Factor Etiology and Environmental Justice

Irva Hertz-Picciotto, Ph.D.
Director, Environmental Health Sciences Core Center
Professor and Vice Chancellor for Research, Department of Public Health Sciences
University of California, Davis

Tuesday, January 8, 2019
11:00 a.m. – noon
Building 101, Rodbell Auditorium

Host: Linda Birnbaum, Ph.D.

Individuals with disabilities who need accommodation to participate in this event should contact Juanita Roman at 984-287-3646 or roman1@niehs.nih.gov. TTY users should contact the Federal TTY Relay Service at 800-877-8339. Requests should be made at least 5 business days in advance of the event.

Any individual seeking access to the NIEHS campus will need to be prepared to show a photo ID (e.g., driver’s license, or a company, government, or university ID) and provide either a copy of this flyer or pertinent information about the seminar (e.g., name of the speaker, host, or title of the seminar).
