

The Keystone Science Lecture

SEMINAR SERIES

Brought to you by the Division of Extramural Research and Training

Thursday, July 21, 2016

1:00 – 2:00 p.m.

NIEHS Keystone Building, Room 1003AB
530 Davis Drive, Morrisville, N.C.

Journey Through the Landscape of Melanocortins and MC1R: Unexplored and Spectacular Roads

Zalfa Abdel-Malek, Ph.D.

Professor of Dermatology
Professor of Cancer and Cell Biology
University of Cincinnati

Host: Michael Humble, Ph.D.

Individuals with disabilities who need accommodation to participate in this event should contact Michael Humble (919) 316-4621 or humble@niehs.nih.gov. TTY users should contact the Federal TTY Relay Service at 800-877-8339. Requests should be made at least 5 business days in advance of the event.

Any individual seeking access to the NIH campus will need to be prepared to **show a photo ID** (e.g., driver's license, or a company, government, or university ID) and **provide either a copy of this flyer or pertinent information about the lecture** (e.g., name of the speaker, host, or title of the lecture).
