

The Keystone Science Lecture

SEMINAR SERIES

Brought to you by the Division of Extramural Research and Training

Wednesday, March 21, 2018

12:30 – 1:30 p.m.

NIEHS Keystone Building, Room 1003AB
530 Davis Drive, Morrisville, N.C.

Genomic Imprinting and Endocrine Disruptors: Role of Epigenetic Regulation on Maternal-Fetal Health

Martha Susiarjo, Ph.D.

Assistant Professor, Department of Environmental Medicine
University of Rochester School of Medicine and Dentistry

Host: Frederick Tyson, Ph.D.

Individuals with disabilities who need accommodation to participate in this event should contact Frederick Tyson at 984-287-3334 or tyson2@niehs.nih.gov. TTY users should contact the Federal TTY Relay Service at 800-877-8339. Requests should be made at least 5 business days in advance of the event.

Any individual seeking access to the NIH campus will need to be prepared to **show a photo ID** (e.g., driver's license, or a company, government, or university ID) and **provide either a copy of this flyer or pertinent information about the lecture**.
