Wednesday, September 5, 2018
9:30 – 10:30 a.m.
Keystone Building, Room 1003AB
530 Davis Drive, Morrisville, N.C.

Reversing Air Pollution Impact on Human Neurons

Daniel Campbell, Ph.D.
Assistant Professor, Department of Pediatrics and Human Development
Michigan State University

Host: Cindy Lawler, Ph.D.

Individuals with disabilities who need accommodation to participate in this event should contact Cindy Lawler at 984-287-3280 or lawler@niehs.nih.gov. TTY users should contact the Federal TTY Relay Service at 800-877-8339. Requests should be made at least 5 business days in advance of the event.

Any individual seeking access to the NIH campus will need to be prepared to show a photo ID (e.g., driver’s license, or a company, government, or university ID) and provide either a copy of this flyer or pertinent information about the lecture.
