

Conference Scholarship Request

PEPH 2012 Meeting
March 7 & 8, 2012
Natcher Conference Center, Bethesda, MD

The deadline for submitting conference scholarship requests is Monday, February 6, 2012.

To ensure that as many people possible that are a part of the PEPH network have an opportunity to participate in this meeting, the PEPH program staff will consider requests for conference scholarships.

Please note that PEPH has limited funds to distribute. These funds are not intended to cover all of your conference expenses. We ask that you be considerate and request only the amount required so that funds are available for community organization partners, students and projects with limited budgets.

On Friday, February 10, information will be sent via email to everyone who submitted a Conference Scholarship request. Those chosen to receive funds will receive detailed information in order to receive their funds.

Requests should be submitted only by PI/Project Directors.

Please submit only one request form per project. You may request Scholarships for only two people per project.

If you have questions about the request process, please contact Liam O'Fallon for assistance at 919-541-7733 or ofallon@niehs.nih.gov.
