Katrina Responder Training Materials Created by NIEHS Worker Education and Training Program

PowerPoint Health and Safety Briefing

English Version

[Protecting Yourself While Helping Others \(Responder Orientation Briefing\)](#)  (1,612,288 bytes) •New 9-23•

September 2005. 42 pages. This presentation is a joint collaboration between NIEHS and other federal agencies to give health and safety guidance to those responding to Hurricane Katrina. It is the most widely used safety and health awareness program in the disaster zone. Organizations should feel free to customize the program for their intended audiences. The booklet below is intended as an accompanying pocket guide that can be distributed with this training or independently.

Spanish Version

[Protección personal y ayuda a los demás: consideraciones de seguridad para participantes](#)  (1,695,744 bytes) •New 9-23•

Septiembre de 2005. 42 páginas. Esta presentación es una colaboración común entre NIEHS y otras agencias federales para dar la dirección de salud y de seguridad a ésas que responden al huracán Katrina. Se piensa para ser una herramienta útil para el entrenamiento de la orientación del sitio.

Booklet for Responders
