

Environmental Job Training

Activities:

An Effective Vehicle to Train Residents

Dillard University Deep
South Center for
Environmental Justice

Problems

There is a preference for training evacuees from:

- the Mississippi River Gulf Coast Area Residents.
- Many received one-way tickets and are too far away from home to get jobs.
- Housing shortage
- Discrimination on jobs in hiring and firing
- Availability of food
- Cheaper labor available

Where? When? How? and What?

There is a preference for training evacuees from the Mississippi River Gulf Coast Area Residents.

- ◆ What - Supervisor training needed
- ◆ When - Evening training classes
- ◆ How - Relationship with contractors
- ◆ Where - Training proximity
