

## Workshop Description

*3/29/07 3:00 pm Workshop Block 3*

**17. Using humor and case histories in effective training** (*WRUC- Rick Gleason*) *Tracks: Instructor Development*

This presentation will focus on keeping students' interest with humor and real world case histories. Examples will be provided along with resources for instructors to obtain material from NIOSH, OSHA etc. The use of OSHA's Accident Investigation Database from their Statistics and Inspection file will be utilized. Attendees will increase their knowledge of existing resources to improve training and effectiveness for students and will receive constructive ideas for incorporating humor into the presentations.
