

Workshop Description

3/30/07 3:00pm Workshop Block 6

39. How do we know what training accomplishes? Methods for evaluating training programs

(WRUC, IUOE, USW, CPWR) Track: Instructor Development

This workshop will be presented as a round table discussion on evaluation methods. Representatives from a variety of grantee programs will share the lessons they have learned regarding evaluating training programs. Pre-training, post-training and training impact evaluations will be discussed.
