Worker Education and Training Program (WETP) Logic Model

**INPUTS**
- Partner Agencies
- Continued Funding
- Superfund
- Grantees
- Trainers
- Program Staff
- Clearinghouse
- Community Organizations
- Program Staff
- Clearinghouse
- Grantees
- Community Organizations
- Training Data (DMS)
- Program Reports

**ACTIVITIES**
- Provide funding to training programs:
  - Produce RFAs
  - Distribute funds
  - Mission Priorities: 1, 2, 3, 4, 5
- Support and promote worker safety and health training:
  - Educate organized and unorganized workers
  - Meet training needs
  - Mission Priorities: 2, 3, 4
- Support and promote WETP grantees and activities:
  - Coordinate and partner with communities
  - Mission Priorities: 1, 2, 3, 4, 5
- Support and promote SBIRs:
  - Improve communication and interaction between SBIR and training grantees
  - Building SBIR grantee visibility at grantee meetings
  - Mission Priorities: 2, 3, 4
- Support and promote SBIRs:
  - Joint projects between grantees and SBIRs
  - Mission Priorities: 5
- Training materials
- New curriculum and training
- Trained workers
- Training evaluations
- Increased capacity of grantees
- Data to support informed decision-making and policy development
- Safer company practices/policies
- Established and modified national benchmarks (i.e., minimum criteria)
- White papers and policy recommendations
- Recommendations to companies to improve policies and practices
- Weekly Newsbrief
- Webinars, Grantee Meetings, Workshops/Trainers’ Exchanges
- Other meetings and conferences
- Joint projects between grantees and SBIRs
- Improved use of technology in training (innovation)
- Continued funding

**OUTPUTS**
- Training materials
- New curriculum and training
- Trained workers
- Training evaluations
- Increased capacity of grantees
- Data to support informed decisionmaking and policy development
- Safer company practices/policies
- Established and modified national benchmarks (i.e., minimum criteria)
- White papers and policy recommendations
- Recommendations to companies to improve policies and practices
- Weekly Newsbrief
- Webinars, Grantee Meetings, Workshops/Trainers’ Exchanges
- Other meetings and conferences
- Joint projects between grantees and SBIRs
- Improved use of technology in training (innovation)
- Continued funding

**IMPACTS**

**Short Term**
- Trained workers who can recognize workplace hazards
- Trained workers who understand how to take action
- Safer company practices/policies
- Established and modified national benchmarks (i.e., minimum criteria)
- White papers and policy recommendations
- Recommendations to companies to improve policies and practices
- Improved use of technology in training (innovation)
- Continued funding

**Mid Term**
- Increased worker empowerment
- Improved and enforced policies and regulations
- Increased grantee knowledge base
- Improved capacity to effectively train, evaluate, communicate, collaborate, build/sustain partnerships, and accomplish WETP goals
- Improved use of technology in training (innovation)
- Continued funding

**Long Term**
- Improved safety culture in the workplace
- Increased job opportunities
- Reduced morbidity and mortality
- Improved protection of workers
- Improved links between workers, workplace, and communities
- Increased protection and remediation of communities
- Mission Priorities:
  1. Continuously seek and encourage opportunities to collaborate with organizations (at all levels) that share the common goal of protecting workers and their communities.
  2. Advocate for the health and safety of emergency responders and skilled support personnel through actively participating in all phases of the national response to disasters.
  3. Oversees and manages the expansion of a national network of trainers with diverse specific skills grounded on a common training doctrine.
  4. Expands opportunities for minority and underserved populations in cities and surrounding communities by providing the skills, construction, and career training in the handling and remediation of hazardous materials.
  5. Leverages and actively integrates technology and innovation to improve the delivery of education and training to workers performing duties in a hazardous environment.

**Mission Priorities:**
1. Continuously seek and encourage opportunities to collaborate with organizations (at all levels) that share the common goal of protecting workers and their communities.
2. Advocate for the health and safety of emergency responders and skilled support personnel through actively participating in all phases of the national response to disasters.
3. Oversees and manages the expansion of a national network of trainers with diverse specific skills grounded on a common training doctrine.
4. Expands opportunities for minority and underserved populations in cities and surrounding communities by providing the skills, construction, and career training in the handling and remediation of hazardous materials.
5. Leverages and actively integrates technology and innovation to improve the delivery of education and training to workers performing duties in a hazardous environment.

**Organizational Priorities:**
1. Foster more awardee partnership activities.
2. Institutionalize the WETP in awardee organizations by capturing program history and maintaining strong leadership development programs.
