nerican corporations heavily into s. africa

L STAFF REPORTS

American corporations in South Africa
ll potatoes. About 350 American com-
luding dozens of the most prestigious,
South Africa, with a total investment
lion, roughly 17 per cent of the total
vestment there, according to the In-
sponsibility Research Center in Wash-
:.

ks, including the nation's three largest,
anding loans and credits of at least
n, representing as much as a third
ey borrowed by governments and cor-
in South Africa, the New York Times

urch groups, unions and universities,
hat American corporations and banks
rting apartheid by their presence in
.ca, have sold their stocks in these
have withdrawn their money from the
andful of companies, including Pola-
pulled up stakes there while others
ed public statements attacking apart-
h Africa's discriminatory racial po-

ltics have called upon them to leave,
nies are standing pat - or upping the
rms of larger (and often unpublicized)
ts, said The Times.
ument advanced by many corporations
iness in South Africa was that they
more for their black employees in that
y remaining than by leaving. Jobs for
an money in their pockets, American
s argued, and a higher standard of
in they would otherwise enjoy. The
tandard of living also would produce
les for the American companies.
