Best Practices in Using Technology in HAZMAT Training

March 29–30, 2017 | The Condado Plaza Hilton, San Juan, Puerto Rico

Introductions and Icebreaker

Discuss the limitations or successes you have encountered using technologies for worker safety and health training

1. What would you like to get out of this workshop? What do you want to learn?
2. What are some of the major challenges your organization faces in using technologies for worker safety and health training?
3. What are some potential solutions for overcoming these limitations?

Share Your Response

1. Have one person at your table open Padlet
2. Post your table and question number and response(s)
