

## Women's Health Awareness

### Virtual Series: "RealTalk With the Experts"

*This virtual series provides a unique opportunity for you to gain state-of-the-art health knowledge and ask specific questions to world-renowned experts.*

## Coping with Grief and Loss During COVID-19

**Thursday, September 9, 2021**  
**6:30 - 7:45 p.m.**

Many of us are experiencing grief and loss during the COVID-19 pandemic. Grief is a normal response to traumatic events, and it is important for us to grieve what has been lost and find ways to cope.

#### **During this session, participants will be able to:**

- Identify and understand types of grief and loss pre-pandemic and during COVID-19.
- Understand grief and the unique role of women in the grief experience.
- Learn coping strategies to promote emotional well-being.
- Find resources for coping with grief and loss.

***Webinar Goal: To understand grieving is a healthy normal response to traumatic events and help women find positive ways for coping***

Registration is free and open. Registration closes at noon on **Thursday, September 9, 2021**. Register at <https://niehs.nih.gov/womenshealthawareness>. The zoom link will be provided prior to the webinar.
