

## What's In Your Fish? Forum 2.0

*How we aim to engage communities in the science and education of eating fish caught in contaminated waters*

### Agenda: Afternoon Forum

Boston Museum of Science

May 22, 2018

- 2:00-2:10: **Beginning of Afternoon Forum** – Welcome
- 2:10-2:15: **Introduction** – Wendy Heiger-Bernays, BU SRP
- The science and engagement of SRPs
  - Goals of this session
- 2:15-3:00 **Fish Forum 1.0** – David Sittenfeld, MoS; Marta Beyer, MoS; Komal Basra, BU SRP
- Objectives & process – responding to needs of public regarding safe fish consumption;
  - Description of forum materials;
  - Fish Forum 1.0 – results, content evaluation, what was learned?
- 3:00-3:45 **Lightning Talks** –(IN ORDER): Diane Manganaro, MassDEP; Komal Basra, BU SRP; Kathleen Gray, UNC; Sam Lipson, Cambridge Public Health Department; Marcella Thompson, Brown SRP; Catherine Kastleman, Duke SRP; Kelsey Dumville, US EPA; Brad Upham, MSU SRP; Elisabeth Cianciola, Charles River Watershed Association; Patrick Herron, Mystic River Watershed Association; Neel Aluru, BU SRP; Marc Nascarella, Mass DPH
- 3 minute lightning talks by SRPs, researchers, agency representatives, and NGO representatives on fish and fish consumption, your successes and challenges.
- 3:45-4:00 **Break**
- 4:00-4:45 **Discussion & Documentation of Issues - some possibilities:**
- How might people use materials from the Fish Forum 1 and adapt them for use with their communities?
  - What are we missing with regard to safe fish consumption? What are the challenges moving forward?
  - How well have we engaged vulnerable communities in our work?
  - Do we need to modify our approaches as a result of climate change?
  - Debrief, next steps (written report/paper)
- 4:45 **End of Afternoon Session**
