Description

THIS IS A NOTICE OF INTENT AND NOT A REQUEST FOR QUOTATIONS.

The National Institute of Environmental Health Sciences (NIEHS), Research Triangle Park, NC intends to negotiate on a sole source basis with

**PROMEGA CORPORATION, UEI: MWM4N9L4S5X4, 2800 Woods Hollow RD
Fitchburg, Wisconsin 53711-5300**

This acquisition is conducted under the authority of 41 United States Code (U.S.C.) 1901 as set forth in Federal Acquisition Regulation (FAR) 13.106-1(b)(1)- Only One Responsible Source

This purchase is for: Promega Maxwell RSC 16 Service Agreement Purchase

The Promega Maxwell RSC 16 instrument allow NIEHS to extract nucleic acids as well as track the relevant samples data from multiple samples in a single run utilizing the proprietary, Promega extraction kits and software. This seamless pipeline is necessary to provide the high-throughput analyses that are critical to completing these studies in a timely and cost-efficient manner. This service contract serves to maintain current working status, on-site visits for repair when necessary and software upgrades as needed. Promega is the sole source for the licensed selling, maintenance, and care of their Maxwell RSC 16 instrument.

Period of Performance: 2/23/2024-2/22/2025 plus two option periods

This notice of intent is not a solicitation or request for quotes. Notwithstanding, any responsible source that believes it is capable of meeting NIEHS requirement, may submit capability

statement. Responses to this posting must be submitted via email to Chantal.cornelius@nih.gov, by January 15, 2024, at 10:00AM EST.

A determination by the Government not to compete this contract action based upon responses to this notice is solely with the discretion of the Government. Information received will only be considered for the purpose of determining whether to conduct a competitive procurement.

There is no solicitation package available. For any questions regarding this announcement, please contact Mrs. Chantal Rosales Cornelius at the above email address.
