

ConnectiCOSH/ Naugatuck Valley Project Recovery Center

This training project is supported by the National Institute of Environmental Health Sciences of the National Institutes of Health under Award Number 3U45ES006172-29S2.

THE PARTNERSHIP

- History of relationship
- Supported partners and community
- Supported and expanded programs already in place
- Worked well even with challenging number of diverse deliverables

Challenges/ Adjustments/ Successes

- Challenge: Finding interest in talking about workplace safety during Covid
- Adjustment: Changing message delivery and offering incentives
- Success: Engaged workers and positive feedback about value of trainings

Boots on the Ground

- Vaccination education
- Jobs programs resources
- Workplace safety protocols
- Leadership development
