

Environmental Carer Worker Training Program

Yodit Semu, ECWT Project Coordinator
May 17, 2022

UW ECWT Program: Rural Alaska Community Environmental Job Training ('RaceJT')

RaceJT- 40 Hr hands-on training

- Based in Anchorage, AK.
- Provides environmental job training for unemployed or underemployed residents in rural Alaska communities.
- Students accepted into the program are flown into Anchorage each spring to attend training.
- They receive U of AK Fairbanks college credit and 15 state and national certification.
- Graduates earn a Occupational Endorsement as a Rural Solid & Hazardous Waste Management and Emergency Response Technician.
- UW provides 40-hr HAZWOPER, OSHA 10-hr, Oil Spill Response, Confined Space Awareness and more.

UW ECWT Program: Constructing Hope Pre-Apprenticeship Program

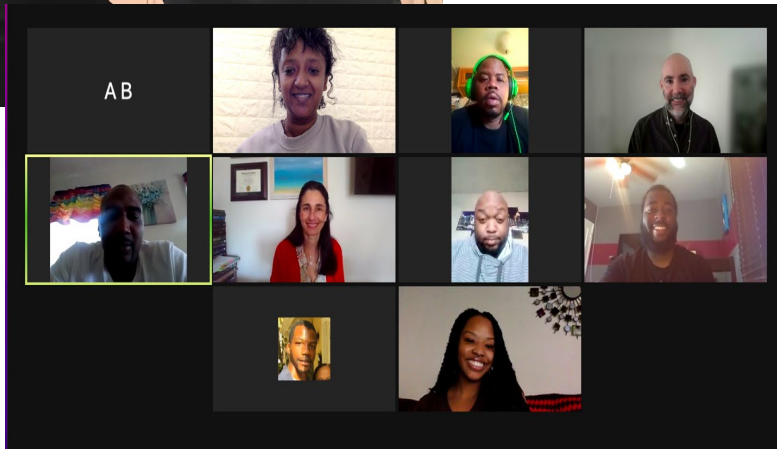

CAREER RETENTION AND ADVANCEMENT SERVICES:

Three years of career placement, mentorship, and supportive services.

BUILDING EQUITY PROGRAM: Works with current students and graduates to clear their eligible Portland Metro area criminal records and assist with obtaining an Oregon Drivers License (new or reinstated if eligible).

- Based in Portland, OR.
- Recruits marginalized and low-income population, unemployed/underemployed, formerly incarcerated individuals to re-enter the workforce.
 - Participants are: 100% Low income (individual & family)
 - 69% People of color
 - 64% Unemployed
 - 62% Criminal justice system
- Program is no-cost, 10-weeks long
- Prepares disadvantaged men and women with construction skills and life skills for a direct entry into the trade unions.
- UW provides 40-hr HAZWOPER, OSHA 10-hr, Asbestos Awareness, Confined Space Entry, and First Aid/CPR to three cohorts each year

LOSH ECWT Program: The Los Angeles Black Worker Center (Ready to Work)

- Five-weeks boot-camp.
- Connects individuals with Painters Union, Roofers Union, and other city jobs.
- R2W started in August 2018, placed the first three graduated in October.
- Leevan Corothers and Jonny Williams from cohort-1 will be Journey Persons this summer.
- They are still connected with R2W and provide support in recruiting and mentorship.
- LOSH provides OSHA 10, First AID/CPR, Environmental Justice and several other H&S awareness courses and support soft and life skill courses.

LOSH ECWT Program: Women In Non Traditional Employment Roles (WINTER)

- Free 10-week job training program for women seeking a career in construction.
- Uses a comprehensive apprenticeship readiness core curriculum (MC3) to introduce women to all trades.
- WINTER partners with employers, registered apprenticeships, and unions to sponsor women for apprenticeship placement.
- LOSH provides WINTER with 40-Hour, Osha 30, and recently added, First Aid/CPR, and other life skills and soft skills support.
