

**EMERGING WORKPLACE HAZARDS: Creating Adaptable  
and Innovative Safety and Health Training**

May 2–4, 2023 / Indianapolis, Indiana

**WORKSHOP SESSION SUMMARY**

**POST-CONFERENCE PROCEEDINGS**

**1. Session Title and Presenter's Contact Information:**

Workshop number and title: 71 A facilitated roundtable discussion

Presenter (s) Name: Ted Giltz, Jim Remington, Gary Gustafson, Kirt Laflin, and Ashley Fitch

Presenter Organization: NTC/WTP

Presenter Email: Tedgmc@charter.net

**2. Workshop Summary:**

*A facilitated roundtable discussion was provided that shared insights and evolving practices for the delivery of effective learning for today's employees. Participants shared post-Covid lessons learned and information regarding where they were providing new or changing support to DOE contractor activities.*

**3. Methods:**

*Panel Discussion with facilitated questions supplemented by attendee questions.*

**4. Main Points/Key Points Raised from Participants:**

*[Lists key points raised during the workshop by the participants resulting from the session discussion, as well as main points raised by the presenter.]*

**The challenges of attrition of both instructors and SMEs in providing best quality training. Turnover of contractor and DOE site leadership at both the training organization level and senior management requires frequent renewal of contacts and relationship building.**

**5. References:**

*[Reference materials (including articles, reports, training materials, links, etc.)]*
