WORKSHOP SESSION SUMMARY
POST-CONFERENCE PROCEEDINGS

1. Session Title and Presenter's Contact Information:

Workshop number and title: 21: Training Workers in a Language They Understand

Presenter (s) Name: Daniel Ramir

Presenter Organization: Latino Worker Safety Center

Presenter Email: Dan@lwsc.org

2. Workshop Summary:

The Latino Worker Safety Center (LWSC), now in its twelfth year, is a dedicated OSHA compliance training center specializing in training workers in a language they understand. By the end of this training, participants will learn how to create or enhance training for limited English proficiency workers.

3. Methods:

[Briefly describe the training method(s) used to deliver the presentation, the advantages and disadvantages of the approach]

PowerPoint combined with group discussion.

The audience was better addressed in group discussion – lots of participation.

4. Main Points/Key Points Raised from Participants:

[Lists key points raised during the workshop by the participants resulting from the session discussion, as well as main points raised by presenter.]

Translations are not always understood. There are 21 Latino countries in America, each with their own dialects and culture.
